parakeratinized epithelium of gingiva
rdfs:subClassOf
gingival epithelium
part of
ccf_part_of
ccf_part_of
part of
gingiva
dentogingival junction
Homo sapiens
suprabasal keratinocyte
endothelial cell of venule
endothelial cell of artery
junctional epithelial cell
mucosal-associated invariant T cell, human
gingival epithelial cell
Schwann cell
keratinocyte stem cell
capillary endothelial cell
endothelial cell of lymphatic vessel
innate lymphoid cell
cytotoxic T cell
T-helper 17 cell
regulatory T cell
mature NK T cell
gamma-delta T cell
plasma cell
neutrophil
pericyte
natural killer cell
Langerhans cell
dendritic cell
vascular associated smooth muscle cell
keratinocyte
Merkel cell
B cell
macrophage
melanocyte
endothelial cell
mast cell
T cell
fibroblast
