Homo sapiens
endometrial stroma
has part
lymphocyte
stromal cell
ciliated epithelial cell
macrophage
mast cell
endothelial cell
uterine natural killer cell
B cell
innate lymphoid cell
T cell
ccf_located_in

basal layer of endometrium
outer layer of endometrium
helicine branch of uterine artery
endometrium
endometrium luminal epithelium
endometrial gland
endometrium glandular epithelium
uterine venous plexus
uterus
part of
body of uterus
connected to
uterine artery
broad ligament of uterus
mesometrium
cervix squamous epithelium
cervix glandular epithelium
rdfs:subClassOf
cervical cavity
cervix epithelium
ectocervical epithelium
ectocervix
external cervical os
cervical gland
uterine cervix
cervical mucosa
columnar cell of endocervix
endocervix
endocervical epithelium
cervical squamo-columnar junction
internal cervical os
cervical os
