plasma cell
mast cell
endothelial cell
muscle layer of infundibulum of uterine tube
lamina propria of fallopian tube infundibulum
basement membrane of fallopian tube infundibulum
lamina propria of fallopian tube fimbria
serosa of infundibulum of uterine tube
lamina propria of fallopian tube ampulla
fluid of fallopian tube fimbria
nerve of fallopian tube fimbria
lamina propria of fallopian tube isthmus
lamina propria of fallopian tube intramural segment
mucosa of fallopian tube fimbria
vasculature of fallopian tube fimbria
mucosa of infundibulum of uterine tube
vasculature of fallopian tube infundibulum
mucosa of fallopian tube ampulla
basement membrane of fallopian tube ampulla
serosa of fallopian tube ampulla
vasculature of fallopian tube ampulla
muscle layer of fallopian tube ampulla
mucosa of fallopian tube isthmus
serosa of fallopian tube isthmus
basement membrane of fallopian tube isthmus
vasculature of fallopian tube isthmus
mucosa of intramural part of fallopian tube
vasculature of fallopian tube intramural segment
muscle layer of fallopian tube isthmus
basement membrane of fallopian tube intramural segment
serosa of fallopian tube intramural segment
muscle layer of fallopian tube intramural segment
fluid of fallopian tube infundibulum
nerve of fallopian tube infundibulum
wall of fallopian tube infundibulum
uterine tube infundibulum
fimbria of fallopian tube
fluid of fallopian tube fimbria
nerve of fallopian tube fimbria
plica of fallopian tube infundibulum
vasculature of mesosalpinx
lymphatic of mesosalpinx
nerve of mesosalpinx
mesothelium of mesosalpinx
mesosalpinx
epithelial cell
has part
surrounds
fluid of fallopian tube ampulla
plica of fallopian tube ampulla
nerve of fallopian tube ampulla
ampulla of fallopian tube
wall of fallopian tube ampulla
plica of fallopian tube isthmus
fluid of fallopian tube isthmus
wall of fallopian tube isthmus
isthmus of fallopian tube
nerve of fallopian tube isthmus
plica of fallopian tube intramural segment
fallopian tube
fluid of fallopian tube intramural segment
wall of fallopian tube intramural segment
nerve of fallopian tube intramural segment
intramural segment of fallopian tube
Homo sapiens
fallopian tube secretory epithelial cell
cuboidal oviduct epithelium
rdfs:subClassOf
