Homo sapiens
endothelial cell of artery
ccf_located_in
respiratory system arterial endothelium
has part
bronchial artery
blood vessel smooth muscle cell
ccf_located_in
respiratory system arterial smooth muscle
has part
ccf_located_in
respiratory system venous smooth muscle
ccf_part_of
vein endothelial cell of respiratory system
ccf_located_in
respiratory system venous endothelium
ccf_part_of
bronchial vein
multiciliated columnar cell of tracheobronchial tree
ccf_located_in
brush cell of trachea
part of
pulmonary neuroendocrine cell
ccf_located_in
tracheal goblet cell
part of
epithelium of trachea
part of
serous cell of epithelium of trachea
ccf_located_in
basal cell of epithelium of trachea
part of
part of
mucus secreting cell of trachea gland
ccf_located_in
submucosal gland acinus
ccf_part_of
myoepithelial cell of trachea gland
ccf_located_in
part of
part of
airway submucosal gland duct multiciliated cell
ccf_located_in
tracheal submucosal gland ciliated duct
ccf_part_of
airway submucosal gland collecting duct epithelial cell
ccf_located_in
submucosal gland collecting duct
ccf_located_in
airway submucosal gland duct basal cell
ccf_located_in
tracheobronchial smooth muscle cell
part of
tracheobronchial chondrocyte
ccf_located_in
carina of trachea
non-myelinating Schwann cell
ccf_located_in
pulmonary nerve plexus
has part
neural cell
myelinating glial cell
ccf_located_in
ccf_part_of
submucosa of trachea
part of
trachea gland
ccf_part_of
part of
trachea
trachealis
rdfs:subClassOf
smooth muscle of trachea
part of
perichondrial fibroblast
ccf_located_in
trachea elastic tissue
rdfs:subClassOf
rdfs:subClassOf
trachea connective tissue
part of
trachea non-cartilage connective tissue
ccf_located_in
rdfs:subClassOf
trachea cartilage
part of
