Homo sapiens
fallopian tube secretory epithelial cell
ccf_located_in
cuboidal oviduct epithelium
rdfs:subClassOf
part of
oviduct epithelium
ccf_part_of
mucosa of infundibulum of uterine tube
ccf_part_of
plica of fallopian tube infundibulum
part of
part of
peg cell
part of
rdfs:subClassOf
fallopian tube multiciliated epithelial cell
part of
ciliated columnar oviduct epithelium
serosa of infundibulum of uterine tube
part of
ccf_part_of
wall of fallopian tube infundibulum
part of
circular muscle layer of muscular coat
ccf_part_of
muscle layer of infundibulum of uterine tube
ccf_part_of
part of
longitudinal muscle layer of muscular coat
ccf_part_of
vasculature of fallopian tube infundibulum
part of
part of
uterine tube infundibulum
ccf_located_in
endothelial cell
ccf_located_in
fluid of fallopian tube infundibulum
part of
nerve of fallopian tube infundibulum
ccf_part_of
ccf_part_of
mesothelium of mesosalpinx
has part
epithelial cell
part of
mesosalpinx
surrounds
CD8-positive, alpha-beta T cell
vasculature of fallopian tube ampulla
vasculature of fallopian tube isthmus
mast cell
fluid of fallopian tube ampulla
part of
fallopian tube
vasculature of fallopian tube intramural segment
Langerhans cell
fimbria of fallopian tube
part of
part of
lamina propria of fallopian tube infundibulum
plasma cell
part of
nerve of fallopian tube ampulla
part of
ampulla of fallopian tube
dendritic cell
plica of fallopian tube ampulla
part of
wall of fallopian tube ampulla
part of
macrophage
lamina propria of fallopian tube ampulla
plica of fallopian tube isthmus
part of
CD4-positive, alpha-beta T cell
fluid of fallopian tube isthmus
part of
isthmus of fallopian tube
wall of fallopian tube isthmus
part of
monocyte
nerve of fallopian tube isthmus
part of
lamina propria of fallopian tube isthmus
neutrophil
nerve of fallopian tube intramural segment
part of
natural killer cell
plica of fallopian tube intramural segment
part of
intramural segment of fallopian tube
lamina propria of fallopian tube intramural segment
part of
B cell
wall of fallopian tube intramural segment
part of
fibroblast
fluid of fallopian tube intramural segment
mesenchymal cell
