Homo sapiens
endometrial stroma
has part
stromal cell
lymphocyte
ccf_part_of
ciliated epithelial cell
macrophage
ccf_located_in
basal layer of endometrium
mast cell
B cell
uterine natural killer cell
innate lymphoid cell
T cell
outer layer of endometrium
endometrium
part of
helicine branch of uterine artery
endothelial cell
endometrium luminal epithelium
endometrial gland
endometrium glandular epithelium
body of uterus
mesometrium
broad ligament of uterus
uterine artery
connected to
uterus
cervix squamous epithelium
cervix glandular epithelium
rdfs:subClassOf
cervix epithelium
uterine venous plexus
ectocervical epithelium
ectocervix
external cervical os
cervical gland
cervical mucosa
uterine cervix
endocervical epithelium
endocervix
internal cervical os
cervical squamo-columnar junction
cervical os
cervical cavity
